

Directions:

1. Print pages 2 through 10.
2. Load the pages back into the printer and print pages 11 through 19 (**DO NOT PRINT, ALTER, OR DELETE THIS DIRECTIONS PAGE; doing so will ruin the schedule's alignment**).
3. Use the page numbers to ensure the sheets are correctly aligned.
4. Fold pages into booklet form, staple together, and enjoy.

Is your stapler not long enough to reach the middle of the page?

Use a pushpin to add the holes and insert the staples manually.

Are the pages not printing in the correct order?

Send an email to alan@vrowl.com and let me know how the pages are printing and what type of printer you are using. This schedule is set up for an HP-style inkjet printer, so other printers may not handle it correctly.
